I don't recall who told me he was coming back. Hopefully it is just a bad rumor. I will continue to tape if it is about the Town.

Thanks Michelle, probably a good idea. I had not heard that Charlie was coming back permanently.

Subject: KMOG Forum

Good Morning Troy,

I resumed taping the KMOG Forum, especially now that Charlie will be returning. Today was Craig Howard and Guy Pfister, both running for Town Council. They had a lot to say about the Town Manager form of government, the Taxes, and the pool.

Sincerely,

H. Michelle Bailey (formerly Stanley), CMC
